This is a small cosy apartment, well designed and very functional in Courchevel Moriond.

It offers the advantage of being located close to the slopes and ski lifts, but also benefits from a position in the heart of Courchevel Moriond, just steps from the shops, bars and restaurants of the resort.

Not taking the car or hop in the free shuttles of the resort, that also is part of a perfect holiday.

The decor is in a traditional Savoyard style, as in all the apartments of the chalet: the theme around cows is pushed down to the smallest details and gives to the apartment traditional charm. The balance between contemporary and traditional spirit is perfect.

The apartment is perfect for a couple with a child.
