590 sqm Chalet for rent in Méribel Station with 4 bedrooms

The Chalet is a high standing construction which benefits from a dream location, on the edge of the slopes of the largest ski area in the world. This location is ideal for a comfortable stay with family or friends.

The chalet has a traditional Savoyard architecture which reminds us that we are in a mountain construction. The four Deluxe master bedrooms can accommodate eight people in optimal comfort, with a magnificent panoramic view of the peaks of Méribel.

You will be able to benefit from the various services of the hotel Le Coucou while staying in your chalet (restaurant, spa,...).

After a nice day of skiing, you can take full advantage of the relaxation area by taking a dip in the swimming pool or enjoying a pleasant massage.
