Chalet for rent in Courchevel 1550 Village with 320 sqm and 5 bedrooms

The chalet is situated not far from the centre of Courchevel Village. It is an ultimate luxury chalet on human scale at the edge of the forest with the possibility to return to the chalet by skis. This authentic chalet made of clear wood shows a new side of the mountain habitat in a clean and friendly atmosphere.

This luxury chalet on four levels is built on the slope of a nature preserve. Its exterior architecture is typical of the mountain style with plenty of wood and stone façades, its roof of slate has character with the numerous glazed gables that reduce the impression of height. Inside, the decor comes from the work of interior designer Angélique Buisson. Her policy for decoration can be summarized in one sentence: "modernity comes from nature". The authenticity in the decoration of the chalet goes through the use of materials such as wood, wool or steel.

For Angélique Buisson, luxury comes from nature and is not ostentatious in this luxury chalet: you feel and touch the natural side. The centerpiece of this chalet is unquestionably the top floor of the chalet with the living room on one side and the dining room on the other, the two living rooms are separated by a central partition which incorporates a mineral concrete and clear oak fireplace. In the lounge, there are two beige sofas that face the fireplace and a big terrace outside. The high white frame of the houses has a lavish chandelier of LED lights, 2 metres in diameter that fits perfectly, without obscuring the view, in this pure and natural setting.

Enjoy spacious and numerous high-end amenities offered by the chalet . This prestigious chalet can accommodate eight adults and three children in its five rooms. Relaxation is the keyword: the first level hosts a

superb spa area with a hammam and jacuzzi and a large cinema with its giant high-definition screen and its library of films.

The ultimate luxury chalet in Courchevel Village will seduce the most demanding families accustomed to the best real estate in the mountains. Decoration, high-end amenities and services offered by Cimalpes will make the success of your holiday.
