Chalet is a faultlessly designed 8 bed, catered chalet positioned in a secluded yet easily assessable spot at the entrance to Meribel. Spacious and open-plan, Chalet offers two living areas, one of which is perfect as a separate TV room. A preferred chalet for many of our returning guests, Chalet has space, comfort and Alpine style in abundance.

The huge south-facing terrace makes the most of the sunny weather and is an excellent place to watch the sun set behind Meribel's snowy peaks. Chalet was designed specifically with chalet holidays in mind, and as such boasts equally sized rooms, each with en-suite and flat screen television. A warm and homely Meribel chalet, Chalet is perfect for relaxing after a day on the slopes, spending time with family or friends around the log fire, with cups of tea and slabs of cake.

## Spa and Wellness area

Spectacular mountain views, an indoor/outdoor hot tub, eucalyptus steam room and massage area make this, hands down the best place to switch off and take a little time out after a physical day on the slopes.

## Check Availability and Book

Almost all of our chalets can accommodate extra beds. We deal with these enquiries on an individual basis. Please contact us via email, or call us on 01225 614668 for more details.

When do we have access to the hot tub and wellness area? The hot tub and wellness area is open from 7am until 10:30pm. During this time, access is not limited amongst the three chalets and guests are able to use the facilities freely, as and when they please.

How long will it take to get to Meribel Centre? You will reach Meribel Centre in around 4 minutes in the car. Alternatively, a quick 15 walk or in under 10 minutes on the free bus service.
