Chalet is an exclusive privately owned chalet. It is ideally situated in a quiet location close to the centre of Meribel - close to the world's most extensive collection of ski slopes and the excitement of the town. Every detail has been thought of for your comfort, from the wood-burning fireplace to the handcrafted mattresses and sound system. In addition, the outdoor hot tub offers spectacular views of the mountains.

Chalet is known for attentive service, with resident staff in all 8 double rooms. It is also famous for food, whether gastronomic feasts or simple local delicacies, and for an interesting wine list.

It is no wonder that guests have returned to enjoy the luxury of this special retreat since 1989; that it was the residence of choice for VIPs during the Olympic Games; and that Chalet has won the prestigious "Label Meribel", the coveted award for chalets that meet exceptionally high standards.

Chalet is ideal for everything from special occasions for a large group of friends or family to intimate corporate retreats. It doesn't matter whether you're looking for five-star skiing or summer mountain hiking.

With 8 double bedrooms—you'll be dreaming under a down duvet on a handmade Vispring mattress. It also offers eight en-suite bathrooms, six with spa baths with massage jets to soothe your muscles. Comfort and luxury are assured—from the top-of-the-range Minotti sofas to the ski boot warmer guaranteed to make your feet toasty before you set off. And everyone adores the outdoor Jacuzzi overlooking those snowy Alps.

Chalet is a luxury wood and stone chalet ideally situated in the popular Mussillon area of Meribel. It is a five minute walk from the centre of Meribel and a two minute walk from both the main Meribel nightclub and the supermarket.

The ski slopes are one minute's drive away, or an eight minute walk. There is also a frequent free bus service.

The chalet is blissfully quiet, being just outside the very centre of Meribel. But of course bars and the bustle of Meribel are within easy reach!
