Chalet is the ultimate ski-in, ski-out property with it's own private bridge to access the piste right by the front door – a gentle green run that takes you to the Rond Point area of Méribel. A large family owned chalet occupying the top three floors of the building, Chalet is incredibly spacious with seven en-suite bedrooms sleeping up to 15 people comfortably.

Traditional in design with a very well equipped kitchen, several seating areas and a roaring fireplace it's the perfect base for larger groups to relax after a day on the slopes.

The chalet's location cannot be overstated with the vibrant Belvédère area of Méribel on the doorstep with lots of bars and restaurants, the truly ski-in, ski-out access and panoramic views across the valley. With 5 double en-suite bedrooms, a triple room and a bunk room – each with en-suite bathrooms the chalet boasts flexible accommodation options perfect for multiple families or groups of friends.

Our chalet has everything you could wish for to make a magical family ski holiday. Our concierge specialist will make sure you have everything you need taken care of from; childcare, ski school, equipment hire and any extras you might need. We can supply cots, high chairs, baby monitors, non-slip bath mats and a whole host of other equipment. Our team are on hand to answer any questions about Chalet including which rooms are better for cots, the facilities available and how logistics work with children.
