Is a new chalet with jacuzzi, located in Courchevel Moriond, in the Domaine des Glaciers. Just 250 meters from the center of the resort and 450 meters from the snow front, it opens the doors to the largest ski area in the world - the 3 Valleys - while welcoming you into a comfortable cocoon.

A sumptuous modern family chalet.

Distributed over 4 levels and served by elevator, the chalet can accommodate up to 10 people in its 4 suites, each with a balcony. Fine details and elegance are all the attention paid to the bathrooms. The living rooms occupy the top level of the chalet: spacious kitchen with island/bar, dining room, double-height living room with a wood-burning fireplace, lit by large glass openings. A large panoramic balcony, facing South and West, invites you to enjoy the sun and magnificent views of the slopes of Courchevel Village and Courchevel 1850, as well as the vast Vanoise landscape.

Enhanced by noble materials such as wood, stone and aged brass, the interior spaces are distinguished by their refinement of contemporary design, where comfort rhymes with gentle living and a cozy atmosphere.

Treat yourself to a moment of relaxation, after a day hitting the ski slopes, in the private indoor jacuzzi. The chalet also has an indoor ski room and a parking space in the covered car park.

Courchevel Moriond is a family ski resort, renowned for its optimal sunshine and lively life. In the heart of the 3 Valleys ski area, you will enjoy sliding down the 600 km of slopes, tasting traditional dishes and

discovering the different atmospheres that Courchevel has to offer.
