Fireplace

The Penthouse, located at the foot of the slopes, is undoubtedly one of the properties with the best view of the resort. Guests will be mesmerized as soon as they arrive in this warm and prestigious apartment nestled under the roof on the 4th floor. The balance of traditional and contemporary materials used in the decor blends in perfectly with the warmth of aged wood. With the fireplace, the living room becomes the center of the property, where everyone can gather after a long day on the slopes of the Espace Killly ski area.

You will appreciate the large spaces and the cocooning atmosphere of this beautiful apartment. It can accommodate up to 8 people. From the master bedroom, you have a view of the slopes. The other three bedrooms offer stunning mountain views. For optimal comfort and privacy, each room has its own bathroom.

Enter the penthouse and bathe in a warm atmosphere with a design combining comfort and Savoyard authenticity. The old wood and the furniture of a more modern style intertwine to create a cozy atmosphere. Coiled up on the sofas after a day of skiing, the fireplace will warm you up after a long day hitting the slopes of the Espace Val d'Isère - Tignes.
